TASTING NOTE

Todo Sobre Mi comes from a vineyard planted in 1989. The soil is sandy and calcareous, ideal for superior white grapes. Deeper than the soil of the Remordimiento Blanco, these vineyards yield larger grapes, preserving vibrant acidity and freshness. The resulting wine has a unique style, blending fresh and citrusy notes with distinct salinity from the soil.

VITICULTURE

Sandy soil Vineyard.

VINIFICATION

Grapes are selected and harvested by hand. Pre-ferment cold maceration and direct pressing of the grapes. Spontaneous fermentation in stainless steel and cement tanks.
