AUSTRALIA

FOR VEGANS

TASTING NOTE

From the only vineyard for Kerner, a Riesling cross-breed, in Australia, this has a tangy bouquet of grapefruit and herbs and a mouthful of citrus juice and lemon peel.

VITICULTURE

From Northern Eden Valley's esteemed Fechner Bros. vineyard, the only Kerner vines in Australia thrive adjacent to a limestone quarry. Discovered during a 2003 German visit, these vines grow through clay into limestone bedrock, enhancing aromatic impact. Planted on an east-facing slope, the vineyard adopts a light-handed disease control approach.

FOOD MATCHING

The texture from this Kerner wants flavour, a snapper curry or a delightful Moroccan Tagine are dream accompaniments.
