Rosso 2022

RED STILL WINE

ITALY

SICILY

SUITABLE FOR
VEGETARIANS

TASTING NOTE

A blend of red Sicilian varieties that's textured, fruity and flavourful, with floral notes and flavours of raspberry and redcurrant.

VITICULTURE

Grapes are destemmed and then softly pressed in the pneumatic press. Fermentation takes place in stainless steel tanks for about 10/15 days at a controlled temperature of 18-20 ° C

VINIFICATION

Grapes grow in vineyards high on the hills of the Valle del Belice that are situated between 100 and 300 meters high in the South West of Sicily. The grapes are of indigenous red varieties and are carefully selected. A milder climate, with high temperature variation influences the ripening of the fruit and ensures aromas are retained.

FOOD MATCHING

The ideal accompaniment for Italian cheese, cured meats, sausages and Mediterranean finger food.
