TASTING NOTE

This wine harmoniously presents Sauv Blanc's citrus and passion fruit essence alongside Semillon's honeyed charm, culminating in a delightfully fresh experience. The palate boasts generosity with an oily texture, while maintaining the sparkle and acidity of a finely crafted dry white. It exudes remarkable intensity, structure, and a wonderfully long finish.

VITICULTURE

All the work done in our vineyards is carried out organically and sustainably and with the least intervention possible. We strive to grow grapes that are as healthy as possible and that will produce pure, elegant and honest wines that reflect the land they come from.

FOOD MATCHING

Chill and enjoy solo or with Chilean seafood—scallops, clams, oysters. Lively acidity suits cheeses, garden salads. Your ideal summer wine choice.
