# Don David Torrontés 2023

SALTA

## TASTING NOTE

Tropical fruit in the mouth and the fragrance of roses and orange peel on the nose, kept fresh by a fine line of acidity.

## VITICULTURE

Calchaqui Valley, an isolated desert at 1,600 meters, hosts the world's highest vineyards. Wide thermal amplitude, poor rocky soils, and Andean irrigation yield wines with concentrated color, aromas, and flavors. The dry climate, minimal rainfall, and 300 days of sunshine create a unique fruity character.

## FOOD MATCHING

Excellent wine to combine with spicy foods like Asian and Latino as well as seafood, ceviche and sushi.
