TASTING NOTE

Dry, restrained Spanish white, hay and fennel flavours rounded out by plums and pears, ending on a restrained wash of citrus.

VITICULTURE

A gem from Elias Lopez, these vineyards are organically farmed and planted on ancient soils in the Tomelloso subregion of Castilla la Mancha. These vines are trained on trellis to allow adequate air flow and sunlight to develop perfectly ripened fruit.

VINIFICATION

The fruit is brought into the winery and only the premium 'Free Run' juice is used to craft this wine. This 'Free Run' juice is then racked to stainless steel for temperature controlled fermentation always ensuring minimal intervention to protect the typicity of the varietal in these incredible value wines

FOOD MATCHING

Blue fish, steamed seafood like mussels, clams or cockles, ripen tomato's salads, white meats, fresh cheese, smoked fish as well as marinated dishes.
