Luccio Fiano 2024

TASTING NOTE

A joyful exhibition of tropical fruit, honey dew melon, and citrus blossoms. Medium bodied, tropical fruit and melons follow through to the palate joined by stone fruit. The textural quality of Fiano shines through, providing a lovely softness that complements the bright flavours and acid line.

FOOD MATCHING

Extremely versatile in food pairing, but for a truly great match, look to Fiano's Sicilian roots for inspiration and what may be Sicily's greatest gift to the world, Arancini.
