# Santa Cecilia Magnum 2020

RED STILL WINE

ITALY

SICILY

SUITABLE  
FOR VEGANS

## TASTING NOTE

A Sicilian heartthrob, rich with ripe blackberry, orange peel, carob and balsamic droplets and an underlayer of graphite keeping things respectable.

## VITICULTURE

Santa Cecilia, the epitome of Nero d'Avola, hails from Noto, the grape's origin. White soils, ancient vines, and meticulous cultivation at 40m above sea level. A blend of elegance, power, and Sicilian aromas, it's our family legacy and a reference for indigenous red wines.

## VINIFICATION

Grapes are destemmed and the juice is the cold soaked for 16 days. This skin maceration process allow for the extraction of primary fruit varietal character. After fermentation and racking, the wine goes in barrique (2 and 3 year old) for 14 months.

## FOOD MATCHING

A wine which has no fear of the riskiest matchings such as pork marinated with chili pepper or dishes of fish with rich fibrous flesh.
