TASTING NOTE

Bright salmon in colour, the wine delivers great aromatic freshness, with attractive notes of wild berry fruit nicely combined with elegant floral hints. Very appealing on the palate, showing good volume and a polished structure made up of soft-textured tannins and vibrant minerality. This is an engaging and balanced wine, with a refreshing finish.

VITICULTURE

2017 was a year of lower yields, with fewer bunches of smaller grapes, but that had excellent concentration and an optimal skin to pulp ratio. This was a challenging year for the viticulture and winemaking teams, that required timing the harvest to perfection in order to ensure maximum quality.

FOOD MATCHING

Perfect to drink on its own under the summer sun, as well as a versatile companion to salads, fish and white meat dishes.
