# Kadarka 2018

RED STILL WINE

HUNGARY

VILLÁNY

SUITABLE  
FOR VEGANS

## TASTING NOTE

Bright, light ruby red colour. Flavours of raspberry and redcurrant with a subtle cinnamon spice. Silky smooth texture with very fine tannins. Truly distinctive.

## VITICULTURE

The vines are grown on mineral-rich soils (loess, limestone, red clay). The Kadarka grape celebrates tannins, making exceptionally structured wines. The vineyard is very steep with a wide difference in above-sea levels. Grapes mature in a hot ditch that keeps in the heat all day and night long.

## VINIFICATION

After crushing and a brief cold-soak. Spontaneous malolactic fermentation in stainless steel and small French oak. 30-day total maceration in the tank to preserve the varietal's character. Aged in stainless steel and selected wood.

## FOOD MATCHING

Gazpacho, pasta carbonara, classic Italian lasagna.
