# Swinney Frankland River Syrah 2021

RED STILL WINE

AUSTRALIA

WESTERN  
REGION

## TASTING NOTE

Syrah, distinct from Shiraz with Rhône-like freshness. Inky black, aromas of damson, loganberry, Chinese five spice, marzipan, and cherry kernel. Silky palate conceals depth and power akin to raw meat. Swinney's masterpiece boasts freshness, balance, and persistence, defined by oak nuances. Elevate your palate with this masterful expression.

## VITICULTURE

Vines are dry grown using organic principles.

## FOOD MATCHING

One dish that always works well is Beef Brasato with Pappardelle, a dish that works well with either braised Beef or Oxtail.
