

Tooma River

Reserve Chardonnay 2023

TASTING NOTE

From sun-kissed Australian vineyards, this Chardonnay exudes vibrant, fruit-driven style. Bursting with grapefruit, lime, and melon flavors, balanced by zesty citrus notes. Enjoy solo or pair with full-flavored fish, crustaceans, or spicy Asian dishes.

VITICULTURE

The grapes for this wine were grown in the sun-drenched countryside of the Riverland region of South Australia, where the warm and dry climate is ideal for ripening Chardonnay into a fruit driven and satisfying style.

VINIFICATION

Individual parcels are selected for picking and fermentation in steel tanks, and after fermentation a further rigorous selection and careful blending process results in this Reserve wine.

FOOD MATCHING

Delicious with roast chicken, pork fillet or richer fish dishes.
