# Sancerre Rosé 2024

ROSÉ STILL  
WINE

FRANCE

LOIRE

## TASTING NOTE

Lightly aromatic Sancerre rosé from Pinot Noir, with a cool wash of strawberry and raspberry; juicy, moreish and approachable.

## VITICULTURE

The vines are planted southern/south-western. A yield of 60 hl/haThe method of pruning guyot simple of december in marchDe budding : in spring by leaving 10/14 grappes Thinning and cropin summer at 1,25m.

## VINIFICATION

Made exclusively from Pinot Noir. The small vineyard sites yield small parcels of fruit which are harvested and vinified seperately in stainless steel, temperature controlled tanks with the greatest care possible to respect the delicate, fruity characters. During the fermentation the wine is racked off the skins before too much colour or tannin is extracted

## FOOD MATCHING

The rosé wine will bring spicy touches to exotic dishes chicken cooked with pineapple, thai rice. And charcuterie, salad meats white.
