Sauvignon Blanc 2023

MARLBOROUGH

TASTING NOTE

New Zealand Sauvignon Blanc, green and fresh with lime and gooseberry, gentled by flavours of tropical fruit.

VITICULTURE

This region boasts a superb climate for grape growing, with a high number of sunshine hours and a low average annual rainfall of around 25 inches. The moderate daily temperature swings of approximately 10 degrees Celsius, combined with rich alluvial soils, create a long, slow growing season.
