# Coonawarra Estate Chardonnay 2023

## TASTING NOTE

Elegant pear and nectarine fruit flavours are supported by a creamy cashew nut texture. Natural cool climate acidity draws out the palate for a clean and flinty lingering finish with light spice and preserved lemon.

## VITICULTURE

Coonawarra is perched on a low limestone dune, situated 80 kilometres from the sea. This highly sort after location, has intensely red terra rossa soils running in a narrow 20-kilometre strip from Penola in the south to Glenroy in the north.

## VINIFICATION

The regions international reputation comes from this regionally specific terra rossa. The unique combination of this rich red soil and a cool southerly climate is optimal for growing intensely flavoured grapes.

## FOOD MATCHING

Smoky grilled meats and veggies.
