

2023 Pigmentum Rosé IGP Comté Tolosan, Georges Vigouroux

Country: France

Region: South West France

Sub-Region: Côtes du Lot

Grapes: Grape Malbec 100

Tasting Note:

Brilliant pink rosé made from Malbec, the signature grape of this part of south-west France: this is a mouthful of ripe, red fruit, including cherries, raspberries and redcurrants.

Winemaking:

It is a rosé of 100% Malbec. Although Malbec skins are very rich in color, the first juice of the wine press is pale enough to offer an alternative to the region's traditional red wines. The quick pressing of Malbec grapes permit to extract a pale juice. A cold vinification and a young bottling guarantee to this wine, freshness and refinement.

Vineyard :

This cuvee comes from selected vineyards' plots of Cahors that reveals the best Malbec terroir expression.

Food matching:

Ideal with salads, white meats, barbecued meats, Asian dishes, and other spicy foods.
