

# Belenkaya Gold Vodka 70cl

**Country:** Russia

**Tasting Note:**

Belenkaya Lux has a soft, deep taste and a delicate pure vodka aroma. One of the leading brands in the Russian market, it is produced at Arkhangelsk on the northern Russian coast near Finland.

**Unique Selling Point:**

There are numerous stages involved in the production of Belenkaya Lux, all are carefully monitored to achieve the very best quality. The process begins with the finest quality wheat and soft, crystal clear water drawn from a 200m deep artesian well. Belenkaya is triple distilled then passed through a special 13 metre column charcoal filter to remove any impurities, then polished by filtration through quartz sand. The natural infusion of oat flakes during the finishing process adds a unique and luxurious soft texture to the spirit. A Russian wheat vodka from Arkhangelsk with a delicate aroma, smooth texture & soft, deep taste.
